The Audi TT Coupé and Roadster

Pricing and Specification Guide

Valid from November 2012

Personalising your Audi TT

This guide has been designed to help you tailor and price your Audi TT quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi TT online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar. From our beginnings in 1899 to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

IN RP 311

The Audi TT is a landmark in design

The Audi TT is one of the most iconic cars in our range. Both the Coupé and Roadster are available with road-holding quattro® all-wheel-drive and a fuel-efficient TDI® engine – the same technologies that have given us unprecedented success in the Le Mans 24-hour race. There's also a wide choice of alloys and optional upholsteries for ultimate comfort. It all means that you can enjoy driving the Audi TT purely for pleasure.

TT interior story

We've introduced a number of finishing touches to the Audi TT interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the front Sports seats to the optional luxurious leather upholstery which means that every journey you make will be a personal one.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to ‘breathe’ more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We’ve also developed TFSI® with turbocharging, which combines FSI® technology with forced induction – giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we’ve continuously refined it, recently developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Images are for illustrative purposes only

Transmissions

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

Short-shift manual transmission

For fast, crisp gear changes in a sporty, manual set-up, you can choose to specify your Audi TT with short-shift manual transmission. This simple yet effective gear-change pattern means that the gearstick has a shorter distance to travel between each shift-gate, minimising the effort you have to make with each up or down-shift, whilst maximising your driving enjoyment.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi TT.

TDI® and FSI®

Inside the engine of the Audi TT you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI® and FSI®, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi TT, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in reduced fuel consumption.

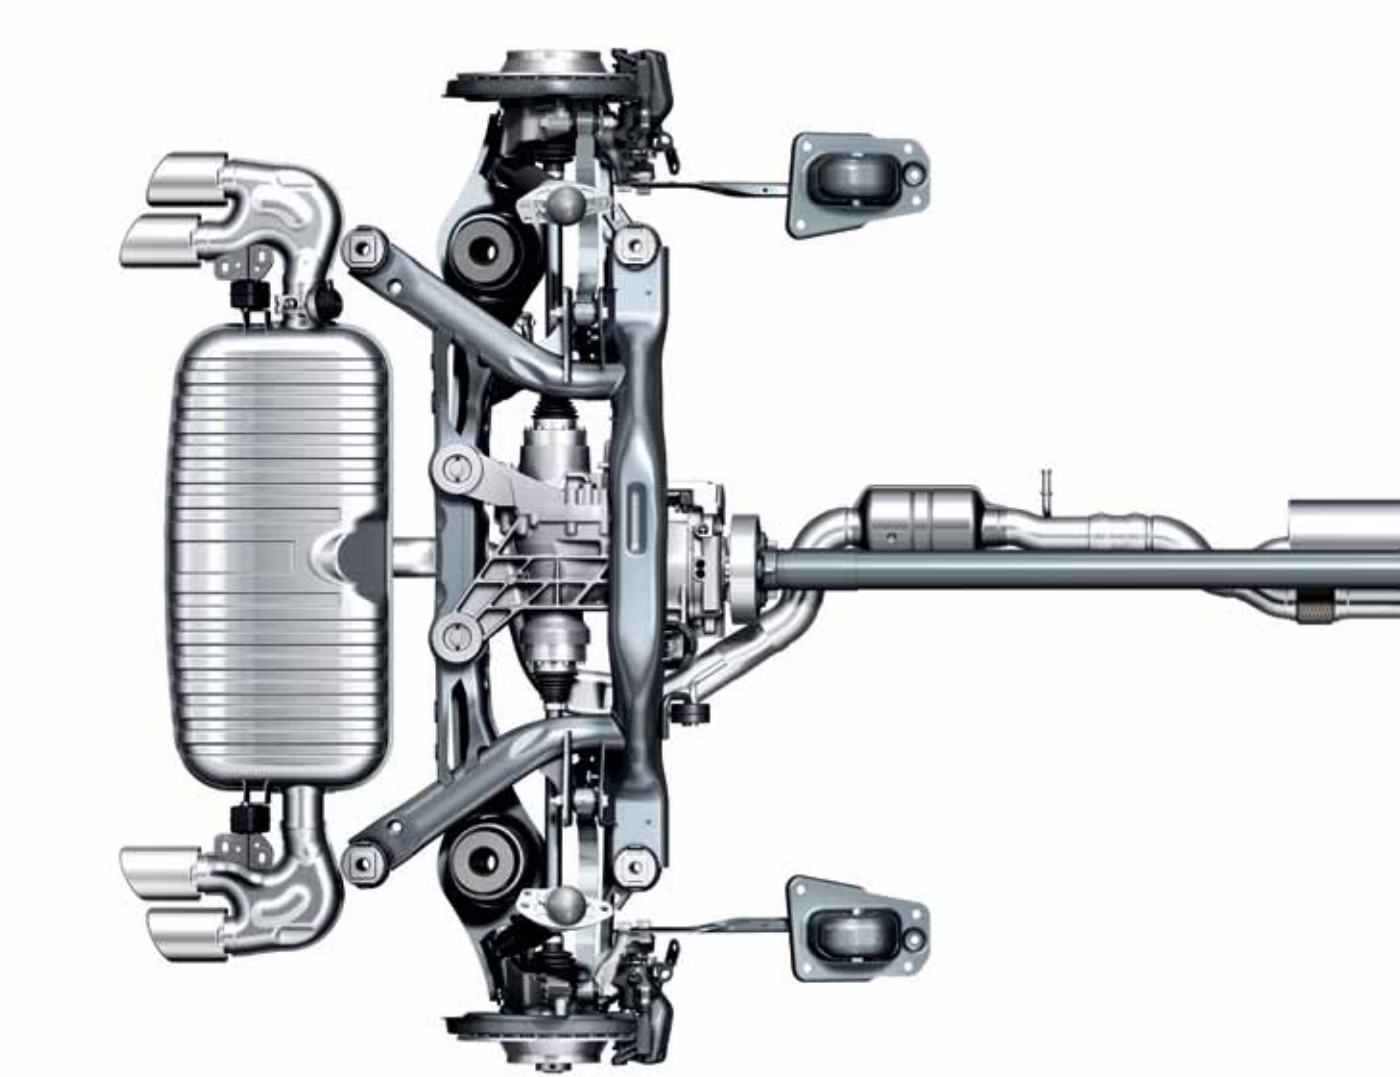
Images are for illustrative purposes only

Aerodynamics

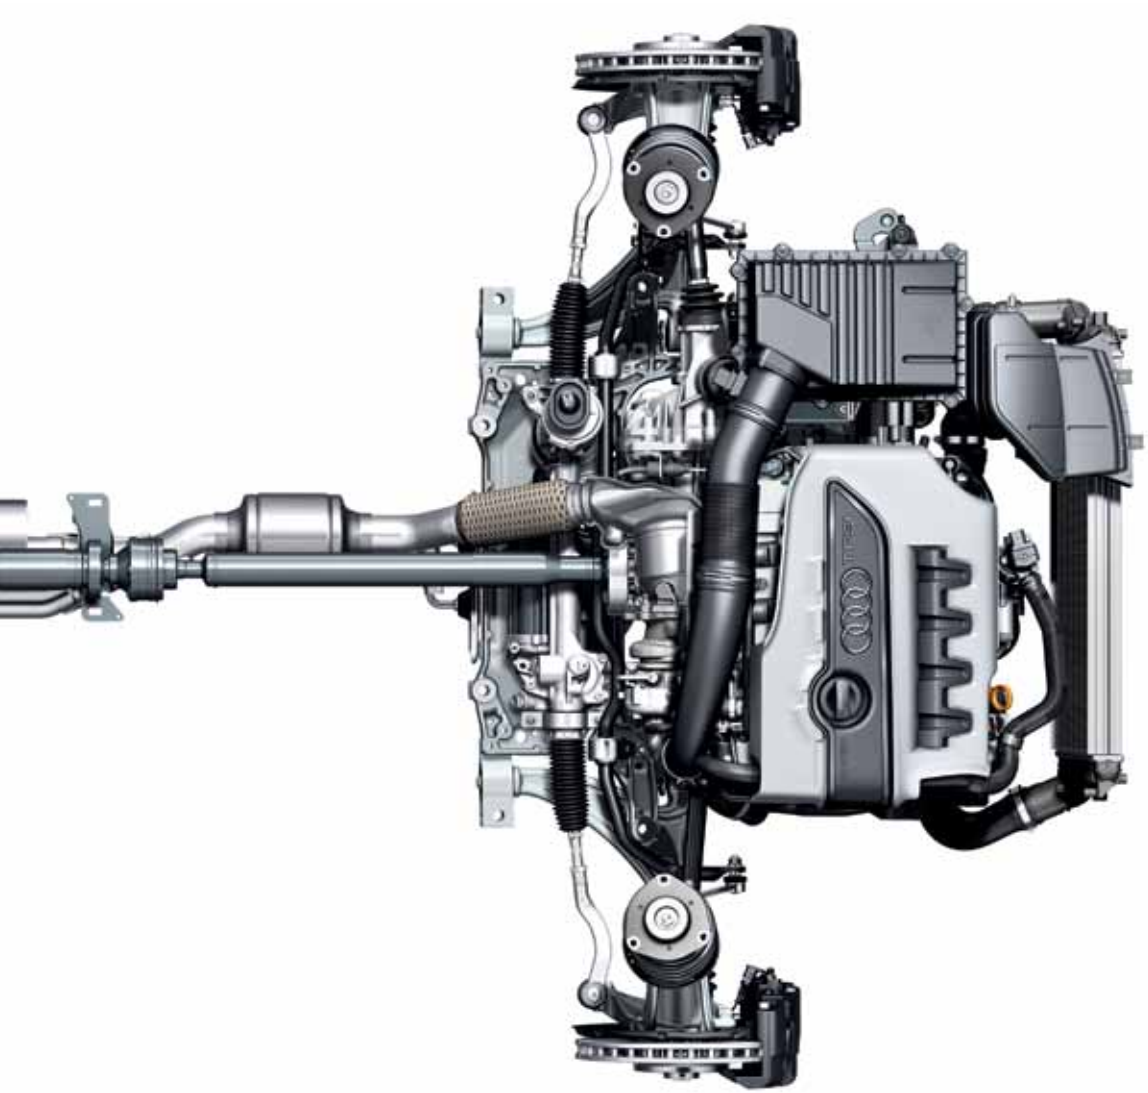
When we designed the Audi TT, we gave it a smooth, flowing shape. As a result, its drag coefficient – a measure of aerodynamic resistance, which affects both fuel consumption and CO_2 emissions – remains surprisingly low.

quattro®

It’s the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi TT so thrilling to drive. It’s called quattro® all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that’s both dynamic and safe.



Images are for illustrative purposes only



In the Audi TT, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles, depending on weather conditions, road surface and gradient. This leads to greater flexibility and an enhanced, sportier drive.

IN RO 103

Sport model equipment

All TT models have the following items of standard equipment

Wheels, tyres and suspension

17" x 8.5J '5-spoke V' design alloy wheels with 245/50 tyres

Tyre Mobility System

Audio and communication

Concert radio with single front-loading CD player, MP3 file compatibility and active front and rear speakers. Includes AUX-IN socket

Seats

Front Sports seats

Split-folding rear seat (Coupé only)

Leather/Alcantara upholstery

Safety and security

Anti-lock Braking System (ABS)

Anti-Slip Regulation (ASR) – traction control

Anti-theft device – Thatcham Category 1 approved

Driver and front passenger airbags

Electronic Differential Lock (EDL) – traction control

Electronic Stability Programme (ESP)

First-aid kit

Front ISOFIX and front passenger airbag de-activation switch

Locking wheel bolts

Roll-over protection bars (Roadster only)

servotronic – electromechanical, speed-sensitive, power-assisted steering

Side airbags for front seats

Tool kit and car jack

Warning triangle

Interior equipment

3-spoke Sports 'flat-bottom' design leather steering wheel

Aluminium Laser interior detailing

Aluminium foot pedals

Black leather handbrake grip, centre console armrest pad and door handle

Driver's Information System (DIS)

Electronic climate control

Front floor mats

Fully automatic electrically-operated hood which opens in 12 seconds, with integrated wind deflector (Roadster only)

Exterior equipment

Door mirrors – electrically operated and heated

Electric front windows

Exhaust tailpipes – twin on left-hand side (1.8 TFSI and 2.0 TDI)

Exhaust tailpipes – dual branch (2.0 TFSI)

Front and rear fog lights

Halogen headlights

Retractable rear spoiler which deploys and retracts automatically at set speeds or when the centre console button is pushed

Windscreen sunband (Roadster only)

Sports seats with leather/Alcantara upholstery

Aluminium foot pedals

Retractable rear spoiler

TTS model equipment

Since its launch, the Audi TT has become a motoring icon. There's no mistaking its sleek curves and unique form, but there's something extra-special about the TTS. It features 18" alloy wheels and a sports exhaust system. Its athletic 2.0-litre TFSI engine delivers 350 Nm of torque and is capable of taking you from 0 to 62mph in just 5.2 seconds*. For this model, a number of key engine components were re-engineered in order to optimise performance and handling. The result: an even more dynamic and responsive TT.

Wheels, tyres and suspension

18" x 9J '5-parallel-spoke' design alloy wheels with 245/40 R18 tyres

Audi magnetic ride – 'S' version – 10mm lower ride height

Seats

TTS embossed Silk Nappa leather upholstery – two-tone with seat centres in Silver, Magma red or Signal orange. Seat side sections and head restraints in black with decorative stitching to match seat centres. Seats also available in all-over black with silver stitching

Heated front seats

Safety and security

ESP – with Sport mode

TTS enhanced braking system with black painted brake callipers with TTS logo

Xenon Plus headlights with LED daytime-running lights and headlight washer system

Interior equipment

3-spoke 'flat-bottom' multi-function steering wheel with TTS badge (with gear-shift paddles on S tronic models)

Extended leather package – black with decorative stitching to match seat centres

Front floor mats with leather piping to match seat centres

Instrument dials in grey with white illumination and TTS logo

Leather and aluminium gear knob with TTS logo

Matt-brushed aluminium interior detailing

Short-shift manual gearbox

Exterior equipment

Aluminium-look door mirror housings

'S' Platinum grey grille with double vertical chrome struts and TTS badge

Scuff plates with TTS logo

Sports exhaust system with twin exhaust pipes on left and right-hand side in chrome rolled finish

TTS body styling – restyled front and rear bumpers and side sill extensions

18" x 9J '5-parallel-spoke' design alloy wheels

Silk Nappa leather upholstery

Instrument dials in grey with white illumination

Leather and aluminium gear knob with TTS logo

Audi exclusive

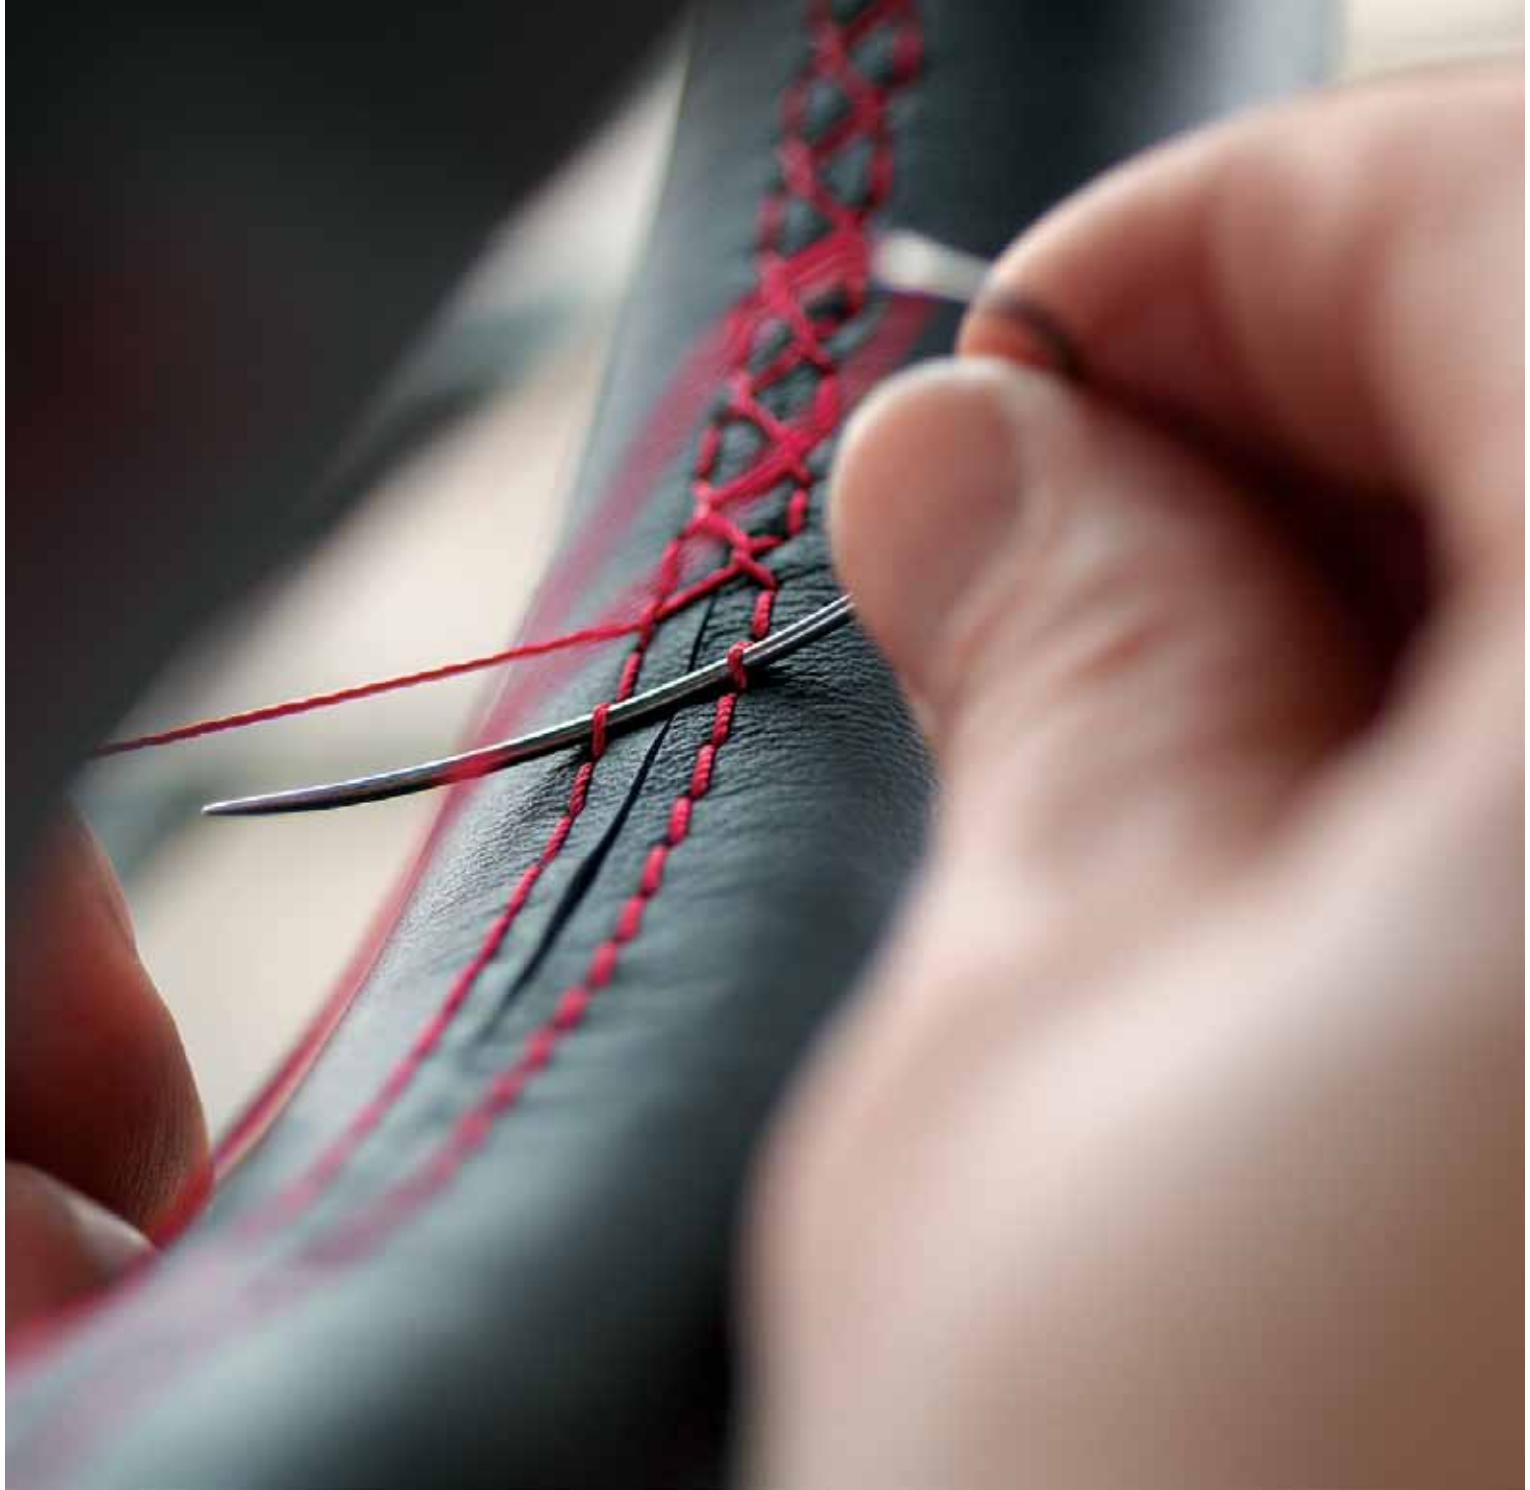
Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your Audi TT with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Audi exclusive line

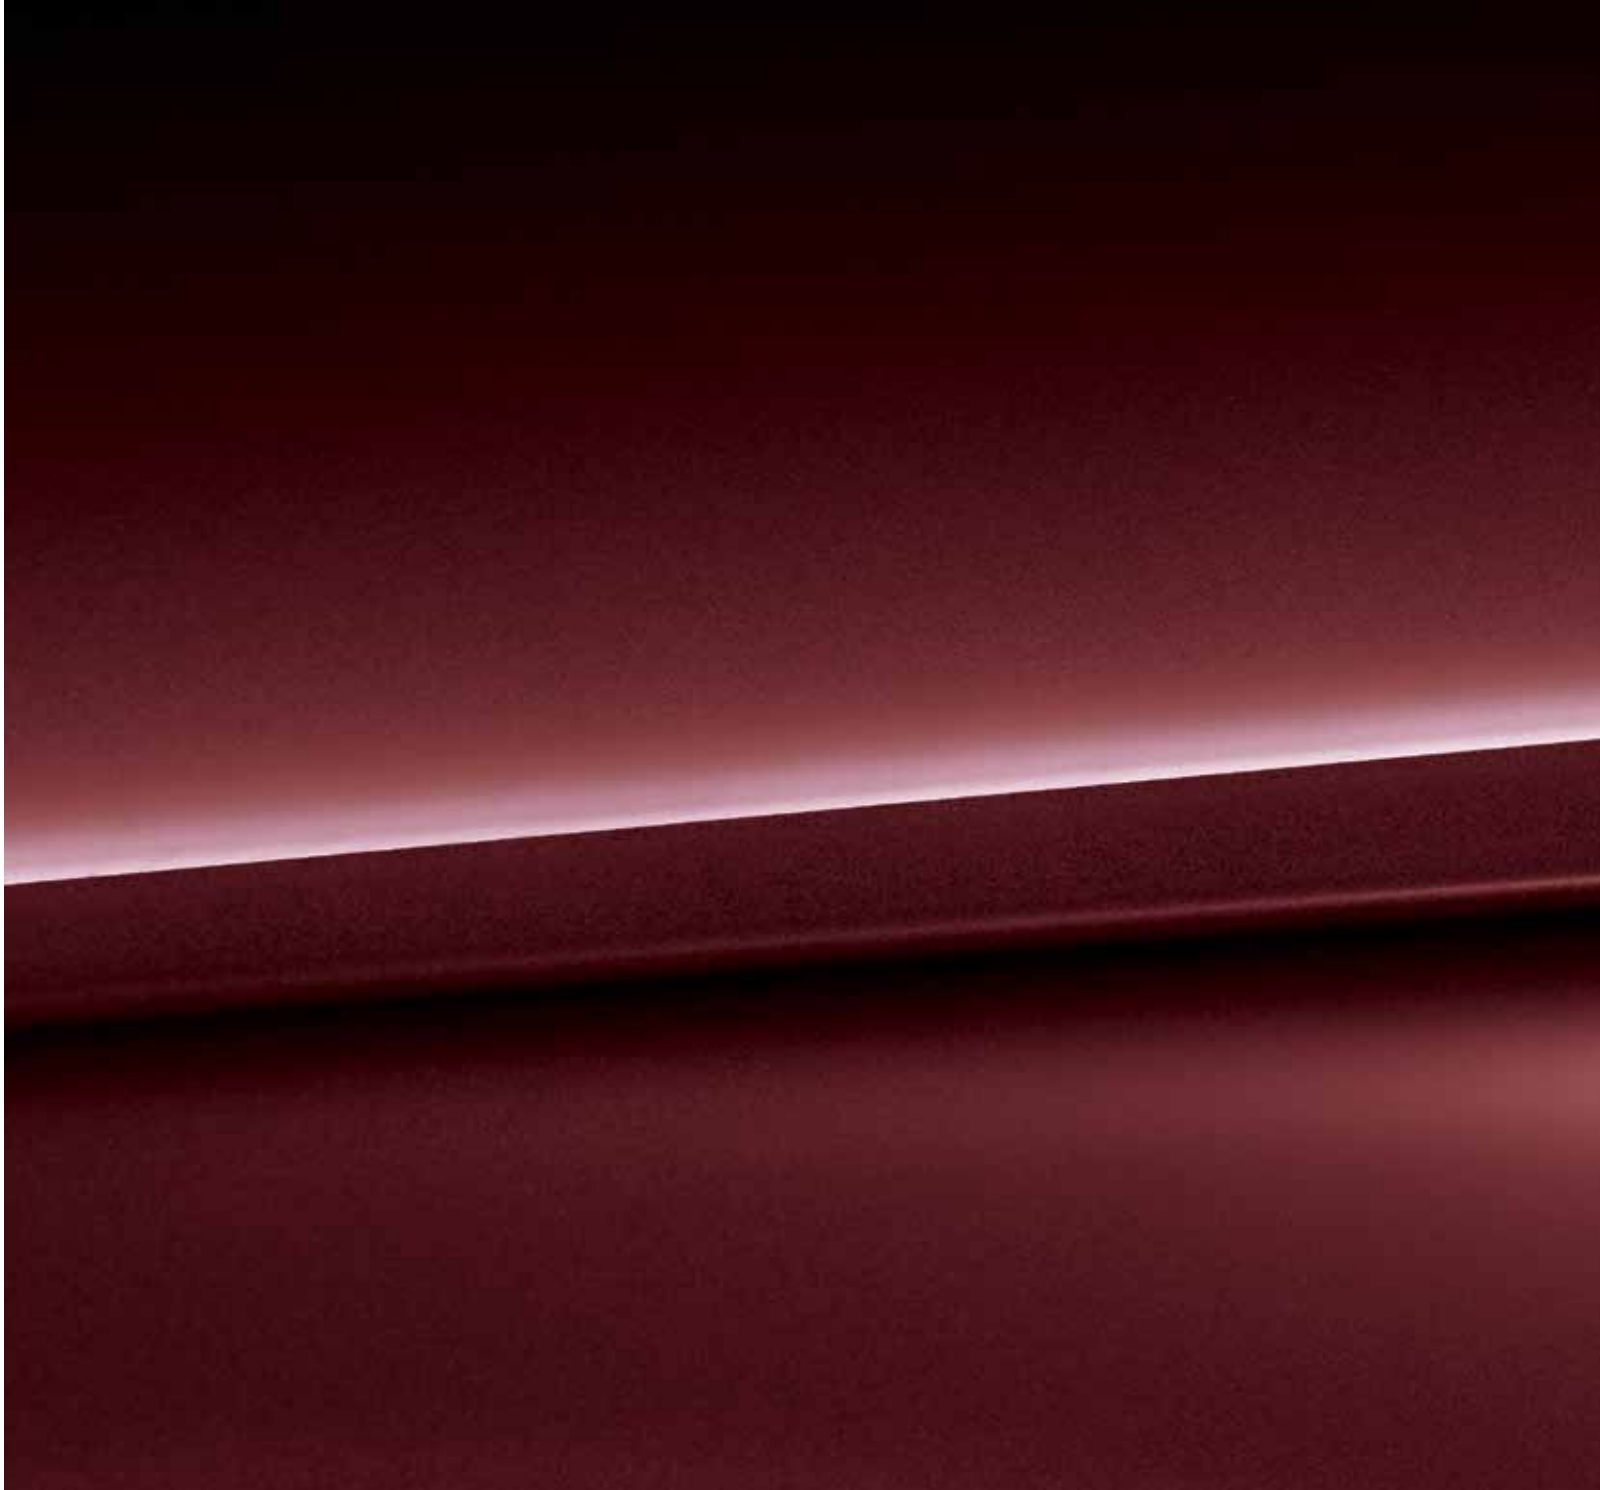
There are a number of ways to customise your car's interior with the Audi exclusive range. And if you'd like us to help you choose, we've put the most popular elements of the range together into one harmonious package – the Audi exclusive line.

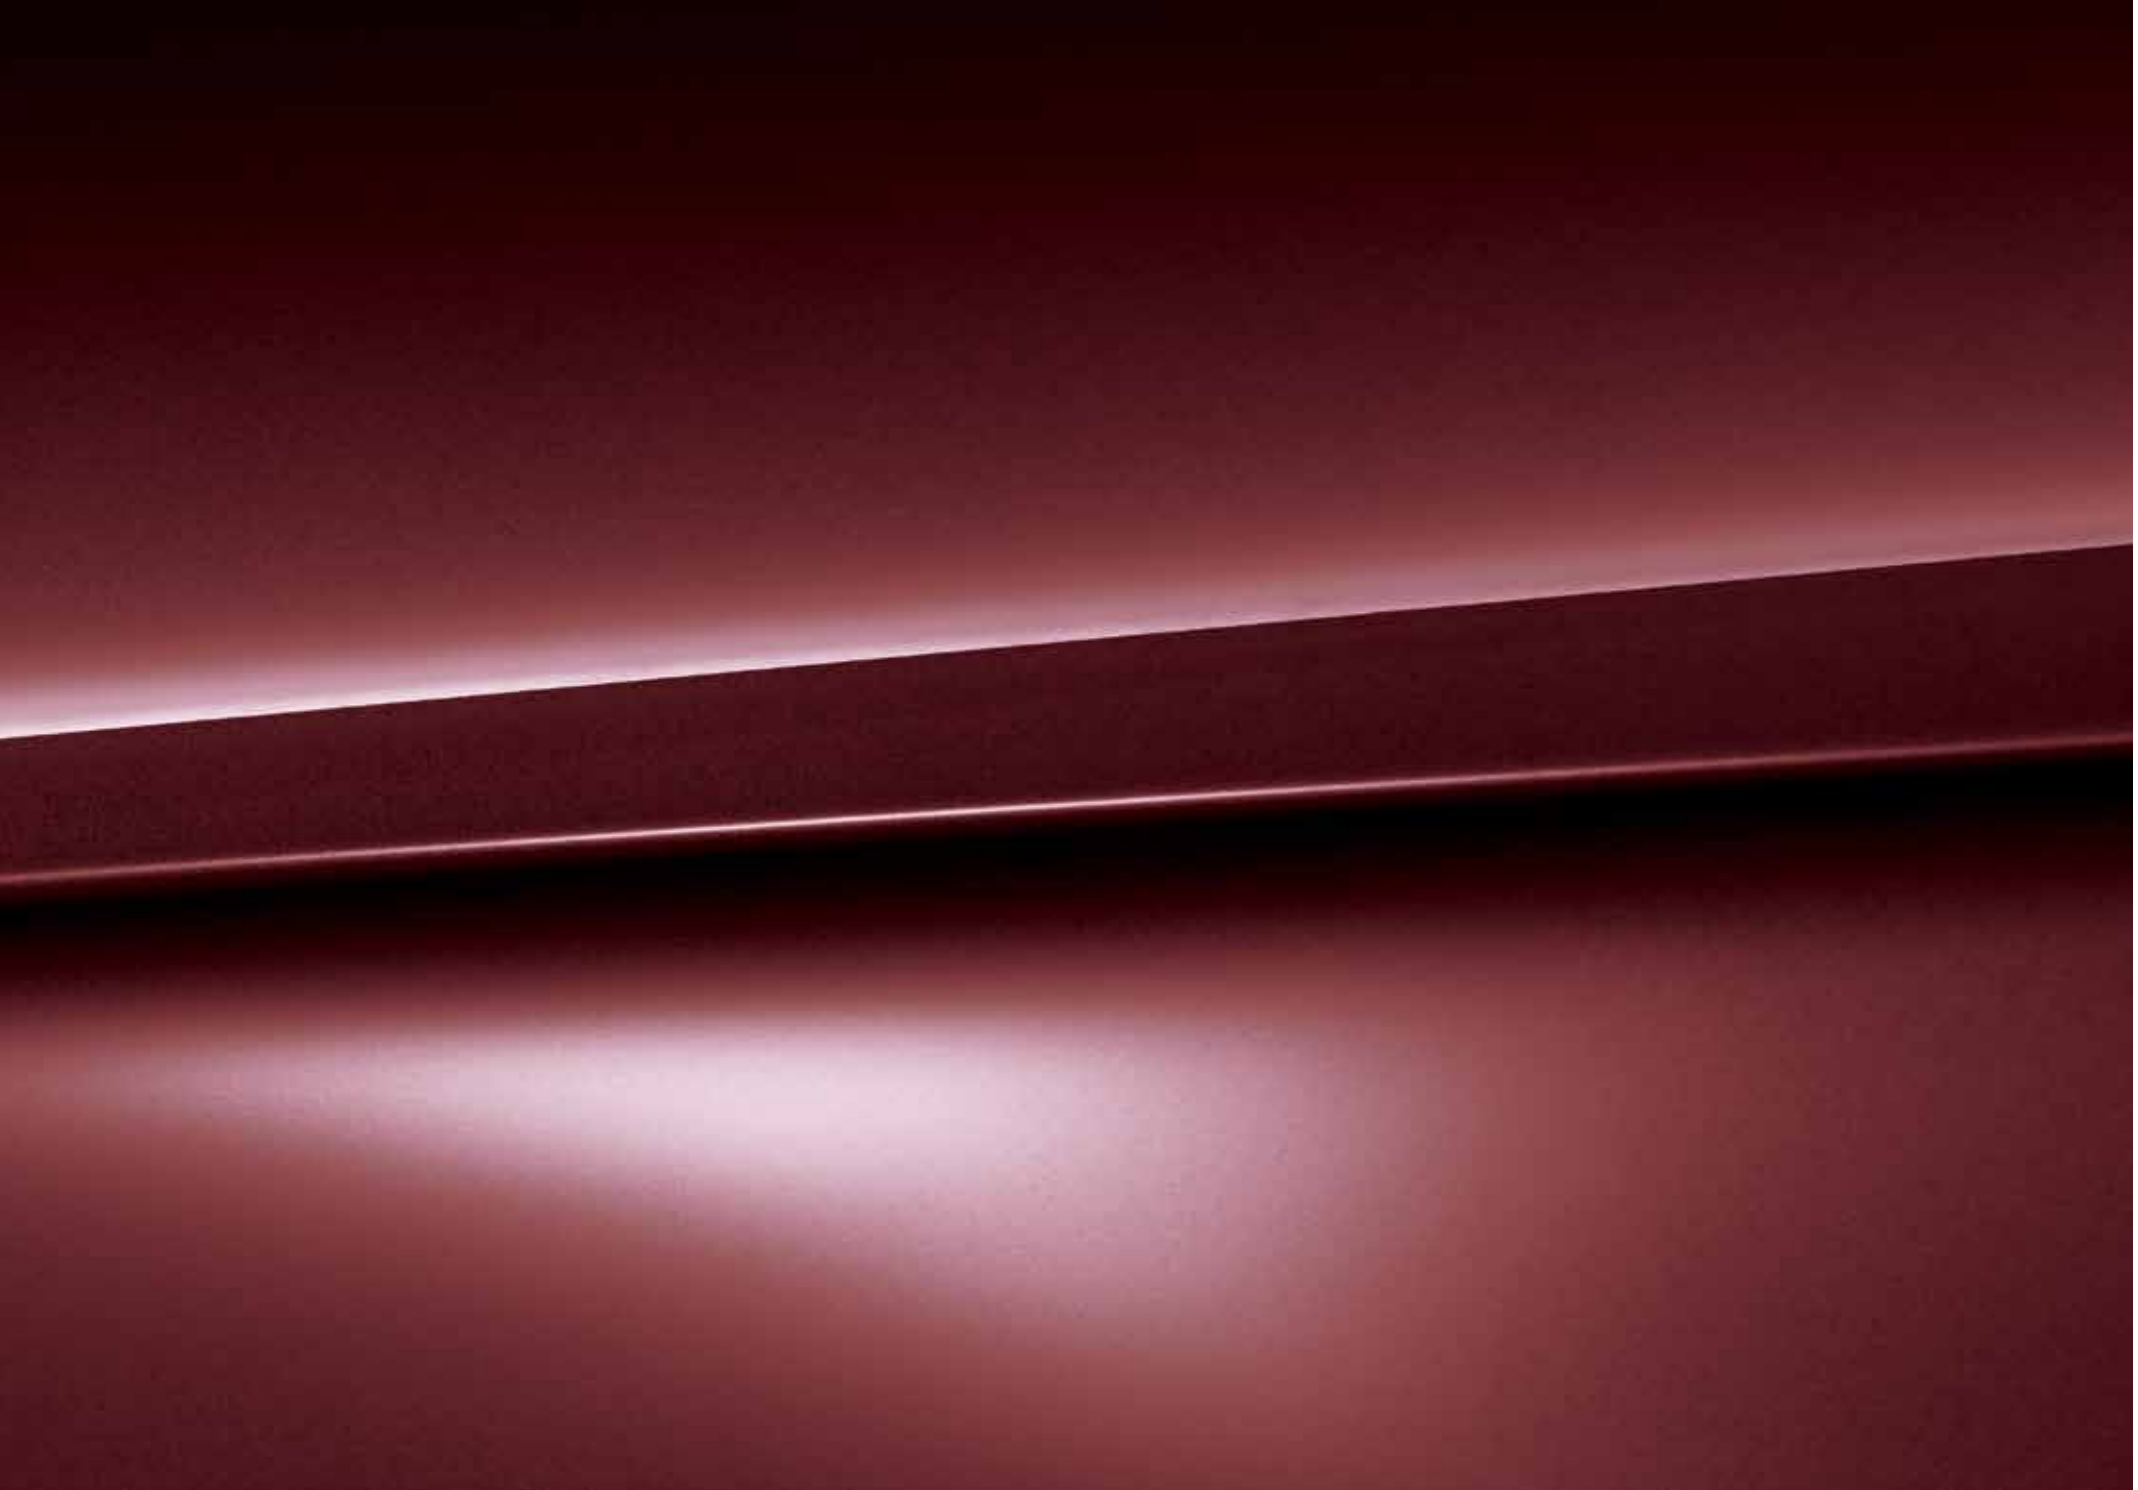
With experience over more than 20 years, our expert designers understand which elements work well together. From high-quality Fine Nappa leather seats to Audi exclusive door sill trims, every detail has been chosen to truly enhance your drive.



Paint choices

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.





Paint and hoods

You can select one of the standard colours shown opposite or, for a different look, choose from the range of optional finishes.

Options are subject to availability and may extend delivery.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Fine Nappa leather, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

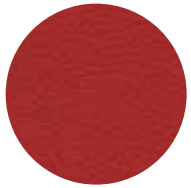
Chestnut brown

Jet grey

Alabaster white

Sand beige

Saddle brown



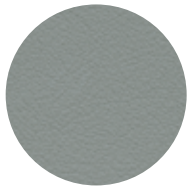
Crimson red

Magnolia white

Havanna brown

Cognac brown

Night blue



Cloudy grey

Smoky blue

Iceland green

Powder beige

Classic red

Also available:

Alcantara colours: available in all the above Audi exclusive colours, except for Crimson red, Jet grey and Sand beige. Alcantara equivalents are Chilli red, Amethyst grey, and Sesame beige respectively.
Dashboard colours: available in all the Audi exclusive colours shown, except for Alabaster white, Magnolia white and Sand beige.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi TT model range and is therefore subject to change and mileage/model dependent.

Order Code			TT	TTS	Basic RRP	Total RRP inc VAT

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your TT, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All the accessories available on the TT are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.
Audi Accessories warranty terms and conditions can be found at audi.co.uk

[1]The given values have been determined according to the prescribed measurement process (the latest version of Directive 80/1269/EEC).

[2]Regulated.

[3]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

[4]Vehicle unladen weight without driver (calculated in accordance with the current applicable version of Directive 92/21/EEC). Optional equipment may increase the car's unladen weight and drag coefficient, whereby the possible payload limit and top speed will be correspondingly reduced.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£100.00
E – 131 to 140g/km	£120.00	£120.00
F – 141 to 150g/km	£135.00	£135.00
G – 151 to 165g/km	£170.00	£170.00
H – 166 to 175g/km	£275.00	£195.00
I – 176 to 185g/km	£325.00	£215.00
J – 186 to 200g/km	£460.00	£250.00
K – 201 to 225g/km	£600.00	£270.00
L – 226 to 255g/km	£815.00	£460.00
M – over 255g/km	£1,030.00	£475.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service Schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first.

With the Audi LongLife Service Schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

When selecting the option of Audi Complete your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.*
We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.
